

Information Pack for Vendors/Exhibitors

Thank you for your interest in the Conquest Games Market. The Market is intended to be a sister event to our yearly Easter convention. Our Easter event has grown to the point where we don't have enough space for all the games we want to run and all the local retailers who would like vendor space. Because of this we have decided to create the Conquest Market, a retail focussed event to provide shopping opportunities for the community, an exhibition space for local vendors, artists, and game developers, and a promotional event for the Easter convention.

If you would like to apply for table space, the application form can be found here <https://forms.gle/4TJVkiSpbK5BsQyY6>

The Conquest Games Market is running at the Coburg Town Hall (90 Bell st Coburg) on Saturday the 31st of August 2024. The Market is open to the public from 10am to 5pm. Vendors can gain access to setup from 7:30am and we need to be packed up and out by 7pm.

We have provided a number of options for trade space but this list is by no means exhaustive. If you need something different, please reach out.

The Conquest org team can be reached at conquestorgs@gmail.com
